Are you a current CFO member? (This is required for any board position)

Briefly what is your past experience with CFO, if any (convention attendance, field trip lead, past board experience)?

Why are you interested in serving with CFO and what do you hope to accomplish while in this service? Is there a specific role or committee or general idea you have for how you'd like to be more involved?

What skills are you bringing to CFO? If you are responding to a specific recruiting announcement, please be sure to address the skills mentioned in that announcement.

Describe your past experience in nonprofit leadership or other relevant roles.

Is there anything else about you that you think we should know (e.g. previous experience, education, specific skills, references)?
